Regional Conferences 2026 | Event App FAQs

How do I download the event app?

Download the EventMobi app on the **App Store** or **Google Play** and access the app by entering the code stated in your Joining Instructions email. If you cannot find the specific code for your venue, please contact **info@yourschoolgames.com**.

Please note: the event code is case-sensitive. We recommend copying the code from your Joining Instructions email and pasting it directly into the EventMobi app.

Do I need to download the app before I arrive on-site?

Yes, we encourage all delegates to download the app prior to arriving at the event and to familiarise themselves with it in advance. The app will include information around the agenda and venue information.

Can I book workshop sessions on the app?

Sessions are available on a first come, first served basis on the day. You can favourite sessions on the app, but please note this does not guarantee attendance at the session. We encourage all delegates to get to their preferred session early as once full we cannot admit any more attendees into the room.

How do I edit my profile?

You can also update your profile by clicking on the grey person icon in the top right corner and choosing 'Edit Profile'.

Please note, the event app is for over 18s only.
