Inclusive Health Check

How inclusive is the School Games provision in your school and how do you know?

What is it?

- A resource that has been designed in partnership with the English Federation of Disability Sport.
- It consists of a simple self-review questionnaire made up of 20 yes/no questions. This will allow you to review your provision of inclusive School Games opportunities.
- Once you submit your answers you will be provided with a personalised action plan and top tips to support you in the future.

Why complete it?

- Great way to help you reflect on your current school games provision and how inclusive this is for all young people in your school.
- It will help you identify strengths and also establish the areas for development which could then be supported by your Primary PE and Sport Premium
- Completing the suggested actions can lead to increased opportunities, increased participation and celebration of successes which can be shared with children, parents and Ofsted.

How do I do it?

- 6 simple steps:

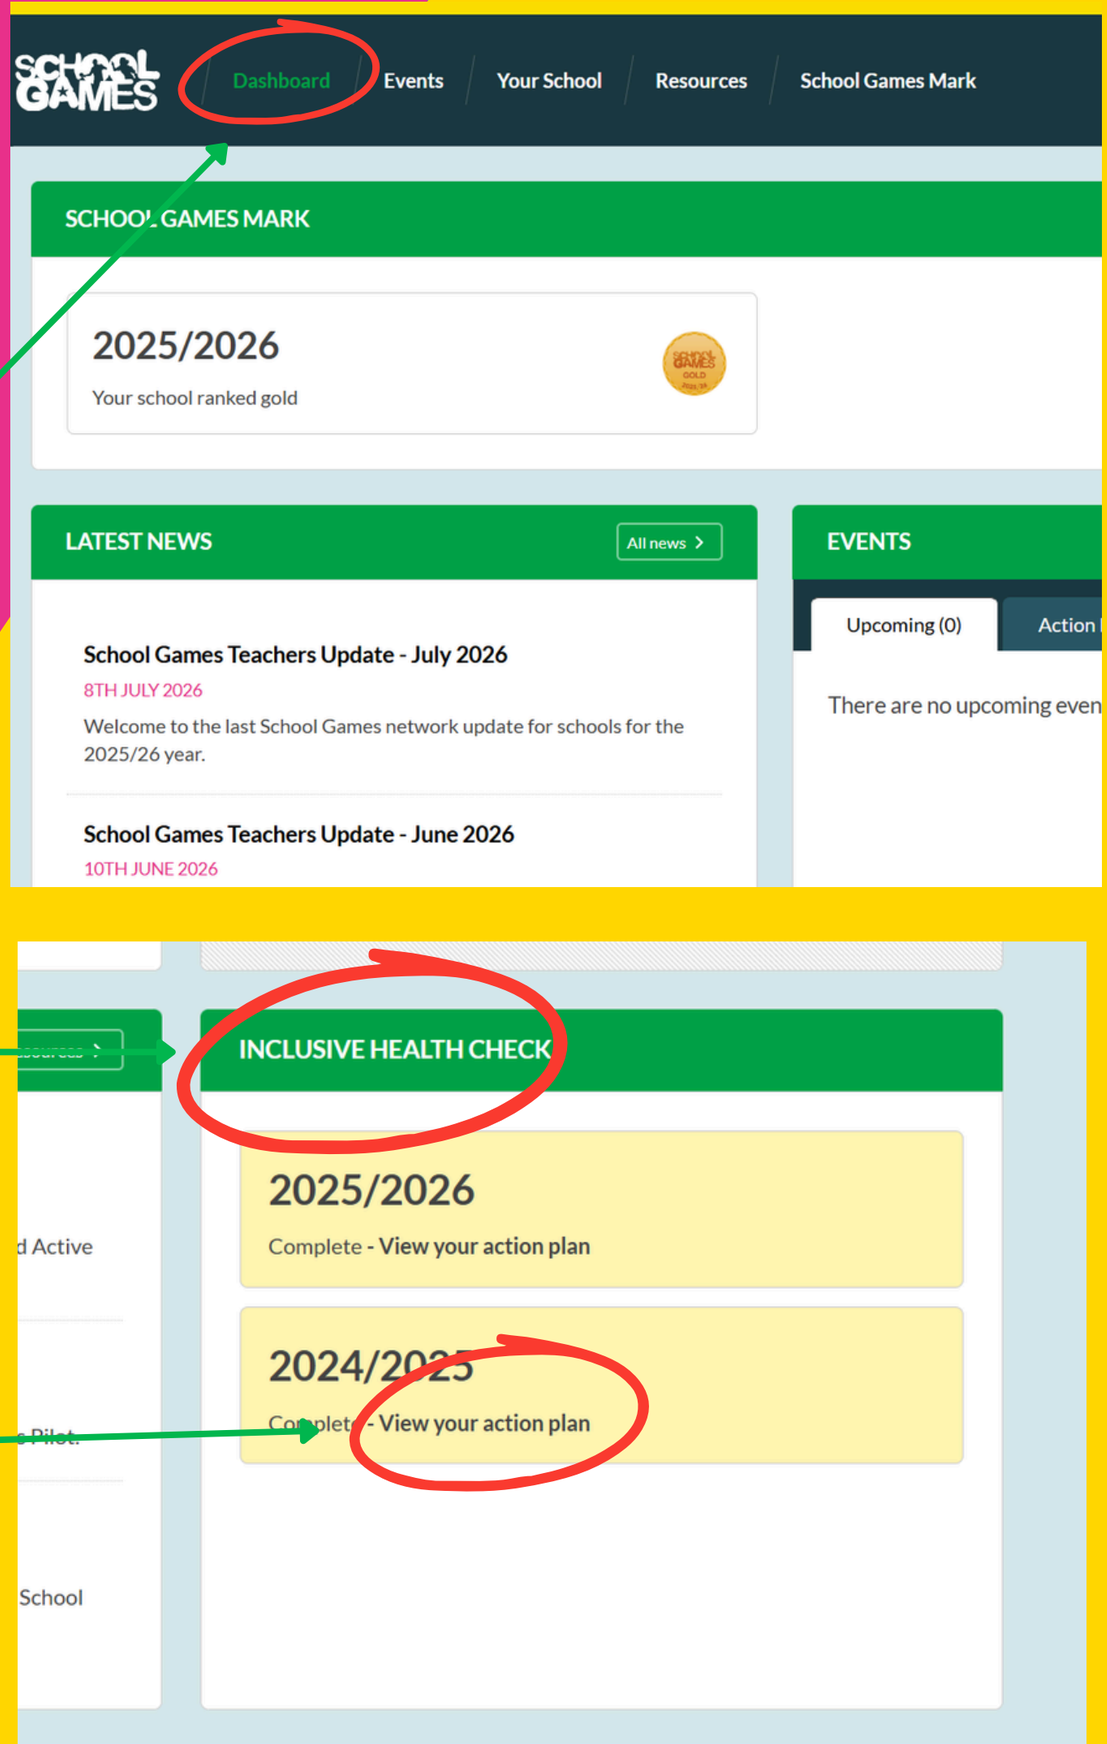

1. Log in to your school dashboard at www.yourschoolgames.com
2. Look for your Inclusive Health Check near the bottom of your dashboard page.
3. Click on start the questionnaire.
4. Answer yes or no to the 20 questions.
5. Be honest with your answers. Remember this is not pass or fail, it is simply a self-review.
6. Submit your answers and wait for your action plan and top tips to appear on your dashboard.

Key Insights

"Answering the questions made me think about things we hadn't considered before."
Jo Lowe – PE Teacher, Howden Secondary School, Yorkshire

"We have used the IHC to identify gaps in provision and added this to our School Development Plan."
Liz Morgan – Assistant Head Chadsgrove School, Worcestershire

"It only took a matter of minutes to complete the IHC and I have found the top tips to be very useful."
Kate Sharrocks – PE Coordinator, Lakes Primary School, Redcar
