

School Games National Summit Event App

How do I download the event app? Download the EventMobi app on the App Store or Google Play and access the app by entering code 'SchoolGamesSummit26'

Do I need to download the app before I arrive on-site? Yes, we encourage all delegates to download the app prior to arriving at the event and to familiarise themselves with it in advance.

The app will include information around the Agenda, Speaker profiles, Exhibitors, event information and the School Games Orienteering activity.

Can I book workshop sessions on the app? Sessions are available on a first come, first served basis on the day and cannot be pre-booked. You can favourite sessions on the app, but please note this does not guarantee attendance at the session. We encourage all delegates to get to the session early as once full we cannot admit any more attendees into the room.

How do I find other attendees on the app? You can search for other attendees by selecting Attendees, Speakers, or Exhibitors from the app menu and searching by name. By default, attendee names and organisations are visible to other users. If you would prefer your details not to be visible, please contact events@youthsporttrust.org

How do I edit my profile? You can also update your profile by clicking on the grey person icon in the top right corner, and choosing 'Edit Profile'

How do I send messages on the app? You can message Attendees by selecting their profile and clicking Send Message. To message an Exhibitor, go to Exhibitors in the menu, select the relevant company, choose the exhibitor representative, and then select Send Message.

If you'd prefer not to use the messaging feature, this can be switched off in the Preferences section of the app.

Please note, the event app is for over 18s only
